

Winter Operations

The District of Invermere would like to remind everyone to take extra care while travelling during the winter season.

Residential and commercial driveway entrances and sidewalks are the responsibility of the owner to be cleared of windrowed snow and ice to the degree that the mobility of vehicular and pedestrian traffic shall not be compromised.

Here's how you can help...

- Be a good neighbour.
- Do not park on the street during a snowstorm or while snow clearing operations are underway.
- Pile snow on the right side of your driveway (when facing the road) if possible when shoveling.
- Remove snow from around fire hydrants on or near your property to enable quick access by emergency personnel if the need arises.

The District apologizes for any inconveniences caused by snow removal operations. For further information, please telephone the municipal office at 250-342-9281.

The District of Invermere thanks you for your co-operation!
