*This Addendum is issued before the Request for Proposal (RFP) Closing and forms an integral part of the RFP Documents. It shall be read together with the RFP, Specifications, and all previously issued and subsequent Addenda.*

### **1. Enquiry Response – Square Footage of Service Locations**

**Q:** Seeking confirmation of the square footage of each service location.

**A:** Square footage is not available.

As outlined in the RFP, the purpose of the site visit was to allow Proponents to:

- Examine existing conditions
- Take measurements
- Review dispenser types and storage areas
- Ask questions related to the Scope of Work

No additional walkthroughs will be scheduled.

Proponents must base their pricing on the information provided in the RFP, all Addenda, and the observations gathered during the site visit.

All other terms, conditions, and submission requirements remain unchanged.

Proponents must acknowledge receipt of Addendum.04 in their Proposal submission.
