

## **Athalmer Bridge Sign**

### **Conditions of Installation**

- The applicant is responsible for picking up and returning the sign letters from the District of Invermere Community Services Office, located at the Columbia Valley Centre, during regular office hours.
- The applicant may install the sign anytime on Sunday and must remove it by the following Saturday.
- Municipal requests will take priority over all other sign requests.
- Sign requests from the private sector for advertising purposes will not be considered.
- The applicant is responsible for installing and removing the sign letters.
- The Municipality reserves the right to remove any message at any time without prior notice to the applicant.

### **Installation Costs**

- There is no cost to the applicant for use of the sign.

### **Installation Period**

- The maximum installation period is one week (Sunday to Saturday).
- Applicants may not use the sign more than once within an eight-week period.

### **Helpful Hint**

- When removing the previous week's message, take down the letters in alphabetical order. This makes returning and reinstalling the letters much quicker.
